Dear boarders/residential pupils

**Ofsted's point in time survey for boarders/residential pupils about a school's boarding houses/residential provision**

**Why have we sent you this survey?**

We would like to know what you think about your experience of boarding at your school. You do not have to complete this survey but we hope you will as it is important we understand pupils' views when inspecting a school. Your views will be used by inspectors the next time the school is inspected.

**What will we do with the answers you give us?**

Only Ofsted inspectors will read your individual completed survey. They will not share your individual answers with your school but will produce a summary of all responses received. You do not have to put your name on the survey, but the reason we ask who you are is just in case you tell us you are in danger of getting seriously harmed, or you are in distress or being bullied, so we can tell the right person. It will help the inspector if you could put what boarding house you live in. If you are not sure about giving your details check with your parent, carer or staff member first.

**What do you do when you have finished?**

Please return this survey via email as quickly as possible, by the date advised by the school. You can return it via email to [enquiries@ofsted.gov.uk](mailto:enquiries@ofsted.gov.uk) putting 'confidential' and the name of your school in the subject line.

Thank you for taking the time to fill in this survey.

Yours sincerely

Ofsted's inspection support team
