

Tanzania Project Competition!

To support the micro-finance model we are developing in the Morogoro region of Tanzania

Costancia Msele and friends making beaded bags to sell

- 1) Design a craft item, with instructions, that a woman could follow to set up her own business
or
- 2) Design a household item that could help ease the lives of those living in poverty
or
- 3) Raise £50 to allow a woman to start up her own business

Prizes:

2 pairs of PUMA football boots

A range of hair accessories

If recycled items such as plastic bottles, fabric remnants or natural materials such as grasses could be used in the design projects, that would be ideal
