- Computer Misuse Act 1990
- Misuse of Information Act 1990
- Health and Safety (Display Screen Equipment) Regulations 1992
- Data Protection Act 2018
- Human Rights Act 1998
- Freedom of Information Act 2000
- Equality Act 2010
- Counter Terrorism and Security Act 2015

The following documentation is also related to this policy:

- Data Protection and Security: A Summary for Schools (Becta 2004)
- The Safe Use of New Technologies (Ofsted)
- Prevent Strategy (HM Gov)
- Teaching approaches that help build resilience to extremism among people (DfE)

We are aware that the Brexit transition period ended on 31 December 2020 and, therefore, UK organisations that process personal data must now comply with the:

- DPA (Data Protection Act) 2018 and UK GDPR (General Data Protection Regulation) if they process only domestic personal data;
- DPA 2018 and UK GDPR, and the EU GDPR if they process domestic personal data and offer goods and services to, or monitor the behaviour of, EU residents.

We believe information and communications technology includes all forms of computing, the internet, telecommunications, digital media and mobile phones. School personnel have clear responsibilities with regard to the use of all ICT equipment and ICT facilities.

RIKKYO SCHOOL

Any member of the school personnel that uses illegal software or access inappropriate websites when in school faces dismissal. All school personnel will be made aware of all legislation relating to computer misuse, data protection and copyright.

We expect all school personnel to sign and date the 'Acceptable Use of ICT Agreement' and be fully aware of and implement the internet safety policy. All school personnel have the duty to report any misuse of the ICT equipment or the ICT facilities of this school.

We have a duty to ensure the internet safety of all pupils within this school.

We have a duty to safeguard children, young people and families from violent extremism. We are aware that there are extremists groups within our country who wish to radicalise vulnerable children and to involve them in terrorism or in activity in support of terrorism. Periodic risk assessments are undertaken to assess the risk of pupils being drawn into terrorism. School personnel must be aware of the increased risk of online radicalisation, and alert to changes in pupil's behaviour. Any concerns will be reported to the Designated Safeguarding Lead.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified.

We provide a safe environment where we promote pupils' welfare. Within this environment we work hard to build pupils' resilience to radicalisation and extremism by promoting fundamental British values and for everyone to understand the risks associated with terrorism. We want pupils to develop their knowledge and skills in order to challenge extremist views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

Safeguarding

RIKKYO SCHOOL

We are committed to safeguarding and promoting the welfare of all children as the safety and protection of children is of paramount importance to everyone in this school. We work hard to create a culture of vigilance and at all times we will ensure what is best in the interests of all children.

We believe that all children have the right to be safe in our society. We recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents. We teach all our children about safeguarding.

We work hard to ensure that everyone keeps careful watch throughout the school and in everything we do for possible dangers or difficulties. We want all children to feel safe at all times. We want to hear their views of how we can improve all aspects of safeguarding and from the evidence gained we put into place all necessary improvements.

Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

Race Disparity Audit

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.
